**ENERGY EFFICIENCY &  
RESOURCE MANAGEMENT COUNCIL**

The 2023 Energy Expo will promote numerous energy efficiency programs, primarily the new heat pump and related energy incentives to attendees of the RI Home Show. By participating in the Show, your company will be a featured exhibitor in the Show Program and also promoted by the Energy Expo as a participating energy contractor to visit inside the Show!

Don't miss out on this tremendous opportunity to meet face-to-face with thousands of qualified homeowners looking for contractors with energy incentive programs!
