

CLEAN TRANSPORTATION REBATES FOR RHODE ISLANDERS

ELECTRIC VEHICLES

DRIVE EV offers rebates to help lower the cost of purchasing or leasing an electric vehicle for Rhode Island residents, businesses, nonprofits, and public entities.

Income-based incentives may be available for eligible applicants.

RESIDENTIAL EV CHARGERS

PowerUpRI offers rebates to support the purchase and installation of residential electric vehicle charging stations for residents and landlords.

Income-based incentives may be available for eligible applicants.

ELECTRIC BICYCLES

The Erika Niedowski Memorial Electric Bicycle program offers rebates to support the purchase of electric bicycles for Rhode Island residents.

Income-based incentives may be available for eligible applicants
